INSTRUCTIONS TO AGENCIES

1. PURPOSE

The widespread adoption and use of mobile technologies have the potential to provide new and innovative ways to improve health care delivery and the health of individuals. Mobile Apps for people are being developed to support healthier living, help manage a long-term condition and to provide initial advice on an emerging medical problem.

CHI NIHFW is in the process of enhancing its mobile app, NHP Indradhanush, for helping Indian citizens across the country to keep track of immunizations and required vaccinations. Application provides a recommended vaccination schedule based on the child’s Date of Birth.

2. SCOPE OF WORK

Brief Description of the mobile Application features

- **Add Child:** Include the details of your child including his/her name, birthdate, age, gender, weight and height
- **Add reminder:** You can put reminders in the application for different dates.
- **Vaccination Reminder / Alerts:** Save the dates of getting your child vaccinated and set reminders. The app reminds you about the vaccination dates bang on time.
- **Push notification:** User will get push notification on phones for reminders and alerts of vaccination, growth log, news and updates.
- **Growth Chart:** Keep a track of your child’s growth by storing information like his/her height and weight to get graphical details about his/her growth.
- **Health Advisory by Government:** Know about the health guidance given by government approved bodies and treat your children accordingly.
- **Setting Page End** user will have option to share this app with friends, Report bug or request for any feature, Change text size.
- **Info Screen** It has About Us, Terms of Use and Privacy Policy about app.
  - The above Scope of work is tentative. Other options may also be added in future.

Brief Description of the Web features of mobile Application

- All the features available on the mobile application should be made available on the National Health Portal (NHP).
- Selected agency will provide/modify a microsite/pages on NHP for showing the mobile application content/design.
- The database for the mobile application and web version should be same.

Deliverables

- Selected agency is expected to deliver the mobile application on application store (Google Play, Apple and windows) within 30 days of receiving the work order.
- Selected agency is expected to deliver the web version mobile application on NHP.
- Selected agency has to share the Design Documents based on the CHI NIHFW Requirement document for CHI NIHFW Review & Sign-off.
✓ Application Code, Web API’s.
✓ Deployment document
✓ The selected agency will be responsible for developing, hosting and maintaining the application for one year.
✓ Technical documentation of design and development stages of mobile application, database, complete source code of mobile application, training to users etc. shall also be provided.

Platform
✓ iOS – 7 and above.
  o Display orientation Portrait or landscape both
  o Display Support iPhone (480 x 320), iPhone Retina (960 x 640), iPhone 5(1136 x 640), iPad (1024 x 768), iPad Retina((2048 x 1536)
✓ Android – 2.3 and above
  o Display orientation Portrait or landscape both
  o Small (426dp x 320dp), Normal (470dp x 320dp), Large (640dp x 480dp), X-Large(960dp x 720dp)
✓ Windows – 6 and above
  o Display orientation Portrait or landscape both
  o Small (426dp x 320dp), Normal (470dp x 320dp), Large (640dp x 480dp), X-Large(960dp x 720dp)

Designs
✓ Application should built in a way that it is easy to use and navigate.
✓ All the design/creatives/images to be provided by the selected agencies.
✓ Creative, ideas and design will be the copyright of CHI, NIHFW.

Content Management System
✓ To manage all application contents, separate user friendly content management system should be provided with following general features:
  o Admin user to be able to create, publish/unpublished and delete all the content.
  o Admin user should have User Management
  o Admin user should have Vaccine Management
  o Admin user should have Push Notification Management
  o Admin user should have Reminder Management
  o Admin user should have Growth Chart Management
  o Admin user should be able to sort data, search data.
  o CMS should be protected using the HTTPS for secure access to application.

Sharing
✓ Links for sharing application
✓ Comments provided by the user on his Facebook/Twitter account shall be provided.
Reports
✓ The selected agency will provide regular App Analytics, reports, vital statistics and analysis.
✓ Audit Log Screen will be provided to admin user to check the activities performed by all users. The data will be available only in read-only mode.
✓ Admin User will be able to see the list of login/logout information for the user through Authentication report screen
✓ Admin User will be able to see the list of notifications sent to the devices through notification screens. Data will be only in read only mode.
✓ Google and iPhone provides the required details on their console along with app publishing.
✓ Google Analytics will be used to provide the required information on the Google Analytics Console.

Hosting
✓ The mobile application will be hosted on BSNL Cloud or any other as given by CHI NIHFW. Selected agency will update whenever necessary and will maintain totally, ensuring uptime of 99.6%.
✓ The selected agency should provide proof of ownership (licenses) of various software used by them for the development as well as for the hosting of mobile application.
✓ The selected agency will provide CHI NIHFW Full Access to server hosting the application.

Standard Technical Requirements
✓ The application should support multi-lingual interface.
✓ The mobile apps need to alert the user to download the latest version, which ever available.
✓ The mobile applications should work in all networks irrespective of mobile device make and model.
✓ If required, the mobile apps should access Geolocation information in case the mobile device supports it.
✓ User should be able to download the correct version of mobile application supported by his/her mobile device.
✓ While developing mobile application, the selected agency should give preference to the NATIVE ENVIRONMENT (e.g.: SDK android development Kit, IOS SDK, Windows SDK). In case of HYBRID APPLICATIONS, open source tools need to be use and not to any proprietary tools.

Support
✓ Selected agency should provide support 24*7
✓ Selected agency to provide application customization and upgrade

Intellectual Property Rights
✓ The Intellectual Property Rights of the application will rest with CHI NIHFW. The selected agency will provide the source code of the application to CHI NIHFW at the time of sign-off
✓ CHI NIHFW shall have the copyright to the design and content of the mobile application. The entire application along with all programmes, including those meant for statistical reporting, graphics and content developed to achieve the desired functionality, will be intellectual property of CHI NIHFW.
✓ It will be the responsibility of the selected agency, both where the contract comes to a natural end, and also in case of foreclosure, to:
  o Furnish all information demanded by CHI NIHFW regarding the existing framework of the application
  o Handover all the old / latest backup code of the mobile application to CHI NIHFW on a CD/DVD/Pen drive/Hard disk.

Training
✓ For the effective uses of the supplied software/application licenses & their functionalities, the selected vendor must compulsorily provide classroom training for CHI NIHFW officials at Delhi/NCR Locations. Following training needs are to be provided by Vendor as part of the scope:
  o Content Management Training
  o Deployment & Hosting Training
  o Application Submission Training
  o Support Handover

3. PROPOSAL SUBMISSION PROCESS
The agency shall submit the Proposal documents as per the details given below:

- **Sealed Envelope:** This envelope shall contain the original copy of Proposals and shall clearly provide the contents of the envelope. This envelope shall contain the following envelopes:
  - **Sealed Envelope A.1.:** containing original copy (hard copy only) of Technical Proposal. The envelope shall clearly provide the contents of the envelope and shall be super scribed as “Technical Proposal (Hard copy): Original copy.”
  - **Sealed Envelope A.2.:** containing original copy (hard copy only) of financial Proposal. The envelope shall clearly provide the contents of the envelope and shall be super scribed as “Financial Proposal (Hard Copy): Original copy”.

4. SUBMISSION OF PROPOSALS
The empanelled agencies shall duly seal the envelope. The Proposal should be sent to the CHI, NIHFW at the following address and should reach by the time and date mentioned.

The inner and outer envelopes shall be addressed to the NIHFW at the following address

**Prof. S. N. Sarbadhikari,**  
Project Director, Centre for Health Informatics  
Room. No. 426  
National Institute of Health and Family Welfare (NIHFW),  
Baba Gang Nath Marg, Munirka,  
New Delhi – 110067  
Email: supten@gmail.com
5. CONTENT OF DOCUMENTS TO BE SUBMITTED
Documents required in Proposal Envelope (Sealed Cover):

1) Technical Proposal as per Annexure 1
2) Financial Proposal as per Annexure 2

6. LAST DATE AND TIME FOR SUBMISSION OF PROPOSALS
Proposals must be received by the CHI, NIHFW at the address specified in the Proposal Document not later than the specified date and time as specified in the Proposal Document or as extended by the CHI, NIHFW.

In the event of the specified date of submission of Proposals being declared a holiday for the CHI, NIHFW the Proposals will be received up to the appointed time on next working day.
